NOTICE

As decided in the urgent meeting of the Academic sub committee on 7th April, 2020 at 12 noon , teachers may be allowed to respond to their general students through normal telephonic conversations. Teachers are requested to upload study materials in the College website- 'academic resource bank', with a mention about the preferred time of such conversations with the respective teacher. This may be fixed following the online class routine as has been already displayed. Heads of the Departments are also requested to upload their routines, both Honours and General in the department's notice section. Further it is regretted that all the members of the committee could not be connected in the conference due to my technical inability. I request all of them to respond and give suggestions regarding the above decision.
