				<p>government.</p> <p>Day 3-Day 3 of the NSS Special camp was held today at Nibedita Colony.</p> <p>Ms. Soma Saha presented a speech on low cost nutritious diet to the children and their mothers, followed by 3 films on Environmental Awareness.</p> <p>Day 4- The Cultural Competition by the children of our adopted slum was brilliant!!! We often fail to understand what hidden talent lay inside them.. they just need proper nurturing. We will soon be distributing prizes to the winners. The idea is to search for local talents.. and there are innumerable.</p> <p>Day 5- Day 5 of our NSS Special Camp, started off</p>
--	--	--	--	---

				<p>with a Health camp by our Doctor. Our principal madam was present there to distribute sweets among the children. There are so many health problems specially with children and women.. who cannot afford even medicines!!!</p> <p>Day 6- Day 6 of our NSS Special Camp at Nibedita Colony, the volunteers took a special pledge of Swacchata and started cleaning uo the colony premises. This is a small step to teach cleaning habits to the people of the colony. A broader theme is literacy.</p> <p>Day 7- Programme started off with the Director of State Resource Centre flagging off the Literacy programme. Children were</p>
