Four layer academic audit is one of the best practices in our institution.

Observations:

1. College strictly adheres to the rules and regulations set by the affiliating University and by the Higher Education Department.

2. College follows NEP 2020 guidelines, as per the regulations of West Bengal State University.

3. Class duration is quite long from 9.30 am to 6 pm, unparalleled in respect to other institutions.

4. Students are obedient, disciplined and regular.

5. Teachers are profound knowledge transmitters and maintain personal bonding with the students through mentoring. Teachers should give stress on publications, both national and international. Care listed publications are not enough.

6. International Innovation Council and Research Development Council of the college are vibrant, but should undertake more motivational activities to promote Research activities.

College budget provides for seed money, though very few teachers avail it. College financial assistance to teachers for seminars is a commendable effort.

7. Mentoring is a regular activity of the college.

8. College follows the norm of experiential learning and budget is allocated for the same. 9. Seminars, workshops, Conferences are regularly held and budget is allocated for the same.

10. Project works help students to get good score. 11. Around 90 percent pass percentage and high level of rank holders in the University examinations prove that college nurtures high academic standards.

12. College library is housed with 19821 books, digital resources, INFLIBNET-NLIST and is fully automated. Library should take care of students' footfall. Students' book bank facilities should be strengthened.

13. College should take measures for students' attendance.
14. College office diligently maintain records and files. College authority may think about e-filing and tracking.
15. College accounts maintain e-cashbook and e-ledger. Cash book is maintained. Regular internal audit is a healthy practice. No cash transaction beyond a nominal value is also a good practice.
16. Attendance register and biometric attendance help maintaining discipline.
17. College NSS and NCC are socially active.
