HIRALAL MAZUMDAR MEMORIAL COLLEGE FOR WOMEN

DAKSHINESWAR, KOLKATA-700035

Reaccredited with A+ grade by NAAC (3rd Cycle) in 2023

Best Practices 1

Title of the Practice: 4 layers Monitoring of Academic Accountability

Monitoring Teaching-learning outcome Objectives: Ensuring performance accountability.

Context: Monitoring academic performance of teachers for regular assessment of students' learning outcome.

Practice: Academic Monitors contain daily performance records of the teachers.

After verifying the same Heads of the departments submit the same to IQAC. These are checked by the Principal, followed by verification by the IQAC and IQAC External Member (Expert) These monitors are placed before the Academic audit team, formed by GB and the team sent by the affiliating university.

Evidence of success: Four layers monitoring ensure accountability and transparency in teaching-learning outcome.

Problems encountered and resources required: Motivating all faculties to maintain academic monitors on daily basis is itself a problem, especially in the new normal phase.

Best Practices 2

Title of the Practice-Health brings Resilience.

Objective: Improving health status of the people in the adjacent slum areas.

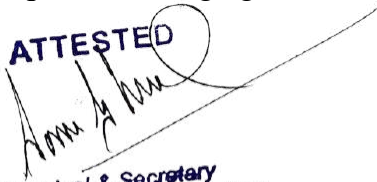

Context: To mobilize the sensitivity towards community among the students by serving the people of Metro Colony and Nibedita Colony.

Practice: College Social Outreach cell involves volunteers to monitor the health conditions of the inmates of the adopted slums and generates awareness.

Evidence of success: Slum-dwellers willingly come to the college now for different health check-ups.

Problems encountered and resources required: Arranging fund and specialist is a big challenge.
