		Tania Polley		different groups
				through games, quiz
				etc. (making
				sentences with
				surrounding objects,
				writing paragraph
				on rain and rainy
				day etc.)

Internship will continue till 30<sup>th</sup> October 2024. Practical guidelines are provided to the students regarding interacting with children living in urban slums and railway station areas. The NGO colleagues teach the children several things and basics of English also and our students assist them in several ways. Students have been able to build up good rapport with the children there and they are very satisfied with the ways they are learning things.

Sheshadri Roy was absent on 20.10.2024 with prior intimation due to her compulsory medical check-up.

The above-mentioned activities are verified and true to the best of my knowledge.

Dr. Chandrabali Dutta,

Assistant Professor and Head,

Department of Sociology,

H. M. M. College for Women, Dakshineswar, Kolkata-700035.
