Unnat Bharat Abhiyan (UBA)

Transforming Five Villages through Education, Agriculture, Skill Enhancement, and Science & Technology

Introduction Unnat Bharat Abhiyan (UBA) is a flagship scheme launched by the Government of India with the aim of promoting sustainable development in rural areas. It focuses on bridging the gap between urban and rural communities by fostering comprehensive development through active participation from academic institutions. This report highlights the efforts of Hiralal Mazumdar Memorial College for Women in Kolkata, as it adopted five villages—**Bishnupur, Basina, Dharsamoktarpur, Mohammadpur, and Jamalpara**—under the UBA scheme. The college has been actively involved in promoting literacy, education, agriculture, skill enhancement, and science and technology in these villages.

Literacy and Education One of the primary objectives of the UBA scheme is to enhance literacy rates and provide quality education in rural areas. Hiralal Mazumdar Memorial College for Women has made significant contributions in this regard. Several initiatives have been undertaken, including:

- a. **Adult Literacy Programs:** The college, in collaboration with local volunteers, has organized adult literacy programs to impart basic reading, writing, and numeracy skills to adults in these villages. These programs have empowered individuals and improved their ability to participate actively in social and economic activities.
- b. **School Infrastructure Development:** The college will provide consultancy in accumulation of resources for improving school infrastructure in these villages, such as constructing classrooms, providing furniture, and upgrading sanitation facilities. This has created a conducive environment for better learning outcomes. UBA unit of the college may recommend for special grant to the complete the project related to school, colleges, library etc.
1. c. **Scholarship Programs:** To encourage school education, the college has initiated awareness programs for various scholarship scheme for meritorious students from these villages. There are several scholarship scheme at west Bengal are as follows

3. **Agriculture** plays a crucial role in the rural economy. The UBA scheme recognizes the importance of enhancing agricultural practices and promoting sustainable farming methods. Hiralal Mazumdar Memorial College for Women has implemented various initiatives to support farmers in the adopted villages:

a. **Training Programs:** The college conducts regular training programs on modern agricultural techniques, organic farming, and the use of advanced machinery. This has helped farmers improve their productivity and income levels.

b. **Soil Health Management:** The college has organized workshops and awareness campaigns to educate farmers on soil health management practices, including soil testing, nutrient management, and crop rotation. These measures have led to improved soil fertility and increased crop yields.

c. **Market Linkages:** The college has facilitated market linkages for farmers by organizing agricultural fairs and connecting them with potential buyers. This has enabled farmers to get fair prices for their produce and improve their economic conditions.

4. **Skill Enhancement:** To promote self-employment and entrepreneurship, the UBA scheme emphasizes skill development in rural areas.

Hiralal Mazumdar Memorial College for Women has taken various steps to enhance the skill sets of individuals in the adopted villages:

a. **Vocational Training:** The college offers vocational training programs in collaboration with government agencies and NGOs. These programs cover a wide range of skills, including tailoring, handicrafts, food processing, and computer literacy. Such training has empowered the villagers to generate income and become self-reliant.

b. **Entrepreneurship Development:** The college conducts workshops and seminars on entrepreneurship development to encourage villagers to start their own businesses. This includes providing guidance on business planning, financial management, and marketing strategies.

5. **Science and Technology:** The UBA scheme recognizes the potential of science and technology in rural development. Hiralal Mazumdar Memorial College for Women has actively promoted the use of science and technology in the adopted villages through the following measures:

Celebration Independence Day:

We have celebrated Independence day at Jamalpara Village on 15th August 2022. We have distributed sweets, stationery items after the pregame.

These programs and events conducted by the college not only provide entertainment and cultural enrichment but also serve as platforms for the villagers to showcase their talents, learn new skills, and participate in community-building activities. Moreover, these initiatives create a strong bond between the college and the villagers, fostering a sense of belonging and promoting holistic development in the adopted villages under the Unnat Bharat Abhiyan.

Conclusion:

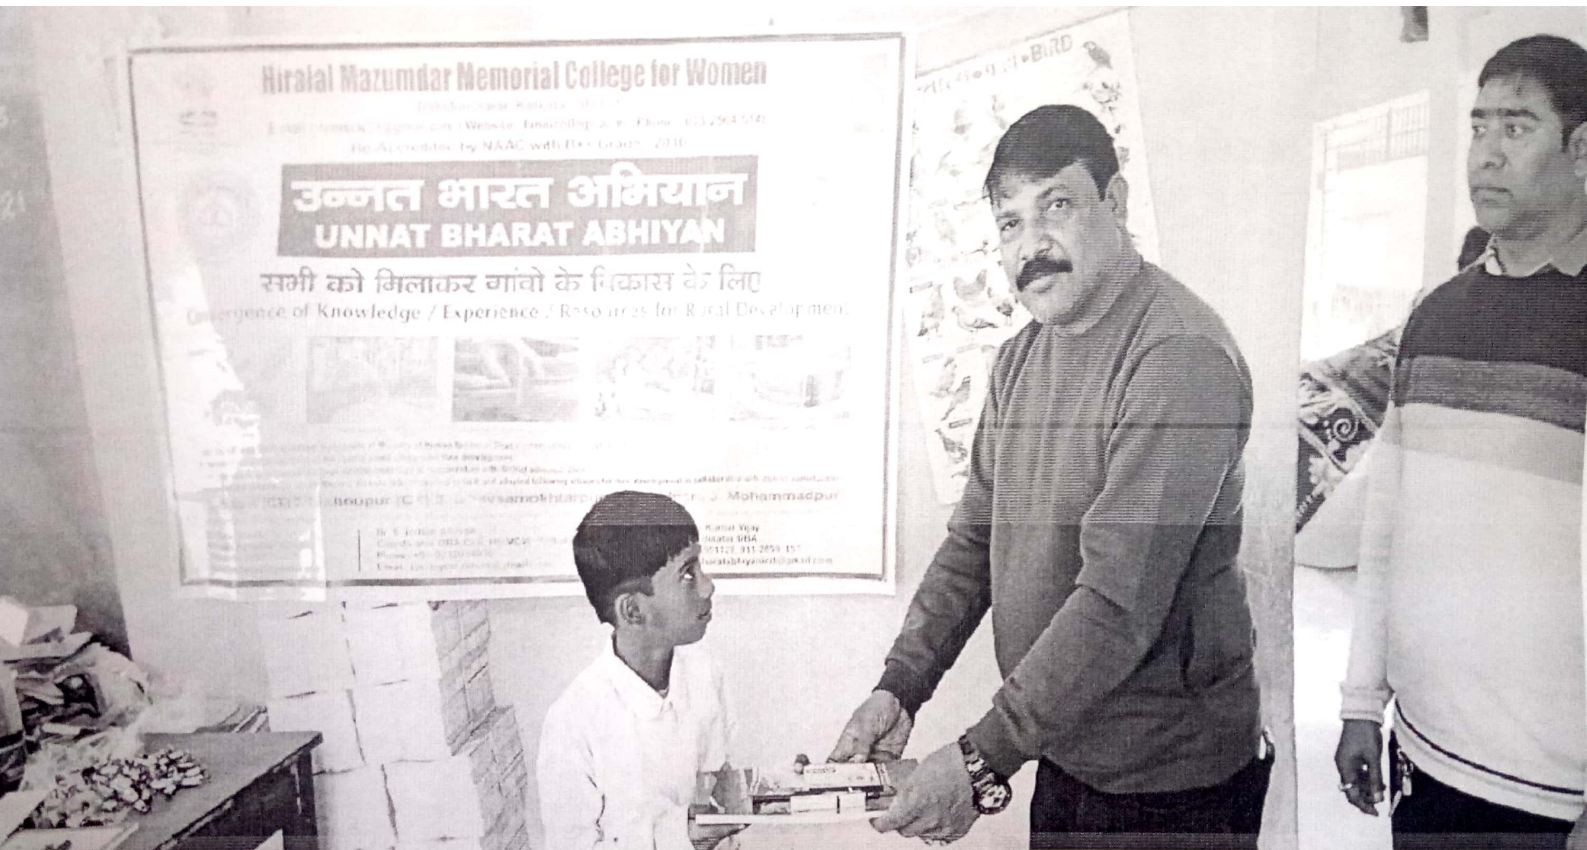

On January 6, 2017, the college adopted the five villages of Rajarhat Block, Kolkata (**Bishnupur, Basina, Dharsamoktarpur, Mohammadpur, and Jamalpara**), and took a commitment to support them as much as possible across the disciplines of **E**ducation, **A**griculture, **S**kill **D**evelopment, and **S**cience and **T**echnology. However, we received permission from the Indian government to promote them through the Unnat Bharat Abhiyan Scheme in the year 2022.
