Subject: Rally for Women's Safety and Self-Defence Awareness

This is to inform all students, staff, and faculty that the students of our college are organizing a rally on **3rd September 2024** to raise awareness about the importance of self-defence for women. The rally will begin at **12:00 Noon** from the college premises and will proceed through the nearby streets, including the skywalk of Dakshineswar, culminating back at the college.

The purpose of this rally is to emphasize the necessity of karate training, which has been mandatory for all girl students at our college, and to spread awareness within the community. The event will feature a demonstration of basic self-defence techniques and a march promoting the safety and empowerment of women.

All students, staff, and teachers are requested to participate actively in this important event.

Let us come together to support and promote the safety and empowerment of women in our community.
